Hi John/Linda can you please print and file in our filing system, if applicable, as well as placing an electronic copy in our private board members only folders on line.

Thank you
Karen

Dear Chair Karen

Please place in our information file.

This type of enquiry is becoming more frequent so it is important the Board be aware of the tenor of these questions.

Thank you,

Ken

Subject: TB police

Dear member of city council: Has there been any consideration of changing city police to OPP? I searched the idea on google and I see that Orangeville has recently switched having city police to OPP. Not knowing all the details but there's an immediate jump in cost but a significant long range saving. We haven't heard much recently but city police have been wanting a new building. If the OPP were to take over and with whatever formula they use, perhaps they would be less empire building than I think there is with our city police. Gary Dennis
